

The Transition: Current strategies for fossil fuel industry change

Ownership Day Event, 1 May 2018

Programme

1.30pm Registration and refreshments

2.00pm Report Launch: Second annual survey of fund manager approaches to managing climate-related risk in integrated oil company investments

Together with the Sainsbury Family Charitable Trusts, UKSIF has surveyed the views and positions adopted by fund managers in their engagement work with Integrated Oil Companies. We are excited to be launching the findings exclusively during our Ownership Day event.

3.00pm Stewardship and engagement best practice

Our panel will include

Mark Manning, Manager, Primary Markets Policy at the FCA,
Aled Jones, Head of Sustainable Investment, Europe at FTSE Russell,

fund managers and an issuer, and will discuss recent developments in stewardship policy, existing challenges and best practices.

4.00pm Coffee break

4.30pm Investment consultants, the draft stewardship code and changing expectations

Our panel consists of

Tomi Nummela, Senior Associate, Responsible Investment and Sustainability, Mercer
Chris Varco, Managing Director, Cambridge Associates
Janice Turner, Co-Chair, Association of Member Nominated Trustees (AMNT)

And we will be asking what owners can expect of investment consultants and what the consultants can do to meet this demand.
