

## *The Transition: Current strategies for fossil fuel industry change*

Ownership Day Event, 1 May 2019

### Programme

1.30pm Registration and refreshments

2.00pm Report Launch: Survey of fund manager approaches to managing climate-related risk in integrated oil company investments

Together with The Climate Change Collaboration, UKSIF has surveyed the views and positions adopted by fund managers in their engagement work with Integrated Oil Companies. We are excited to be launching the findings during our Ownership Day event.

3.00pm Stewardship and engagement best practice

Our panel will discuss recent developments in stewardship policy, existing challenges and best practices.

**Mark Manning**, Manager, Primary Markets Policy at the FCA  
**Aled Jones**, Head of Sustainable Investment, Europe at FTSE Russell  
Chair: **Ben Nelmes**, Head of Public Policy and Programme Director, UKSIF

4.00pm Coffee break

4.30pm Investment consultants, the draft stewardship code and changing expectations

Our panel will ask what owners can expect of investment consultants and what the consultants can do to meet this demand.

**Tomi Nummela**, Senior Associate, Responsible Investment and Sustainability, Mercer  
**Chris Varco**, Managing Director, Cambridge Associates  
**Janice Turner**, Co-Chair, Association of Member Nominated Trustees (AMNT)  
Chair: **Simon Howard**, Chief Executive, UKSIF

5.30pm Drinks reception
